5) Returned with Compliments:-

The post of Police Medical Officer in the Bowring and Lady Curzon Hospitals as sanctioned by the Secretary to the Crown Representative carried with it both House Rent Allowance and Conveyance Allowance of Rs.30/- each and these allowances were drawn upto the end of 30-11-48 in the usual course. But in the Allocation and Proposition Statements in respect of the staff of the Bowring and Lady Curzon Hospitals sanctioned in G.O.No.8298-8301/C.B.217-48-24 dated 1-4-49 absorbing this staff in Mysore Service, the House Rent Allowance of Rs.30/- was not shown, the Conveyance allowance of Rs.30/- alone being retained. This House Rent Allowance was, however, continued to be claimed for the official in the establishment bills for December 48 and onwards but was objected to in audit for want of sanction therefor. The Director of Hospitals in Bangalore states that this House Rent Allowance of Rs.30/- was omitted to be shown in the Allocation and Proposition statements purely by oversight and that there is a need for continuing it. The recommendation of the Director may perhaps be accepted and the House Rent Allowance of Rs.30/- p.m. allowed to be drawn by the official with effect from 1-12-48.

6) The Proposition Statement in respect of the Allowances is herewith returned duly verified.

Sir,

Subject:- Allocation and Proposition Statements of the Non-Gazetted Establishments of the Bowring & Lady Curzon Hospitals etc.

CHIEF SECRETARY

MYSORE

Dy 24/11

I have the honour to invite your kind reference to Proceedings No. 8298-8301/CB-217-48-24 dated 18th April'49 of the Government of H.H. the Maharaja of Mysore sanctioning the allocation and proposition statements of the Non-Gazetted establishment of the Bowrihg and Lady Curzon Hospitals.

In the Proposition statements relating to the Bowring and L.C. Hospitals, the House rent allowance of Rs.30/ p.m. to the Police Medical Officer attached to the post was inadvertently omitted to be shown both under existing and proposed scale and only the conveyance allowance of RS.30/- was shown therein though these two allowances were sanctioned for the post and the incumbent was drawing both of them since the creation of the post .

The Comptroller is objecting to the payment of the House rent allowance of Rs.30/- from 1st December'48 as there is provision only for conveyance allowance of Rs.30/- in the allocation and proposition statements sanctioned by Government

The two allowances viz., H.R. allowance and Conveyan allowance of Rs.30/- each were sanctioned along with the post in 1946 and as already explained the H.R. allowance was omitte to be mentioned in the Proposition statement by oversight onl

In consideration of the fact that all allowances attached to the various posts in the Civil Station were allowe to be drawn by officers even after 1-12-48 if such allowance were sanctioned with the post and as the omission was only a

clerical error, I shall be very grateful if necessary sanction is now accorded to the payment of the House rent allowance of Rs.30/- p.m. from 1-12-48 to the Police Medical Officer to enable the Comptroller to pass the allowance for the Medical Officer from 1-12-48.

A revised proposition statement in respect of the Police Medical Officer is attached. This does not involve any change in the extra cost already sanctioned either in the ~~Rxx~~ Proposition or Allocation statements as there is no change in the allowances between the existing and the proposed scale.

Yours faithfully,

Hon.Surgeon & Director of Hospls.
